

# jetzthaus, Frankfurt

...wirtschaftlich warmes Wasser.

## Objekt:

Winner of the Design Award 08, the Jetzthaus (or "the house of now") is the prototype design-oriented home built to the highest German standards.

Alongside the high design aspirations is a desire for energy efficiency and a focus on harmony and convenience – beginning with the multimedia set up, the touch screen universal control navigation and the kitchen setup, featuring the state-of-the-art Instant Boiling Water & Chilled Filtered Water dispenser, the Zip/Clage HydroTap.
